

Space Coast Vettes Club Sponsorship Program

MELBOURNE, FL

Space Coast Vettes was first established in 1973 to promote the enjoyment of Corvette ownership and promote community involvement. As a 501(c)(7) non-profit organization, along with the many sponsors, we organize a giant Corvette show every October held in historic downtown Melbourne. Last year's show included over 300 Corvettes from all over the state of Florida, GA, SC, and TN. The show provided entertainment for our community and businesses for many vendors, restaurants, and shop owners.

We have two direct beneficiaries of our Annual "Vettes on the Avenue" all-Corvette show:

The Space Coast Honor Flight. This organization's mission is to transport local WWII, Korean War and Vietnam veterans to Washington, DC, free of charge, to visit their war memorials. <http://www.spacecoasthonorflight.org/donate.html>

The Children's Hunger Project. TCHP provides kid-friendly food packages to elementary students that would not have nutritious meals on the weekends. <https://thechildrenshungerproject.org/donate/>

Thanks for your support in helping us raise funds for these great organizations!

From just a handful of members in 1973 to over 120 family members today, we are a growing organization. As our membership grows, we can do even more to promote our Corvettes and benefit our community.
