We had a special guest, Cheryl Cadwell, of the City of Melbourne, to speak to the club on the 'Adopt a Road Program'.

She explained the program which is that SCV would 'adopt a section of road' in Melbourne and four times a year would come out and clean the roadway of all trash. All the necessary materials would be provided by the city at zero cost to the club. The city would install signs at the beginning and end of the road indicating the club's name as responsible party.

This is a sweat equity charitable event that would show the club's involvement in the community.
